The English Editorial Presents:

'A NEW WAVE'

A new wave of sports has just begun,
With youth at its top,
Be it basketball, swimming,
hockey,
Or a horse being rid by a jockey,
Sports has taken a new turn,
Making calories easy to burn.
Cricket is blooming like a rose,
Which the youth admire and
choose.

There are many new talents
emerging,
And with that the old are
departing.

This wave is just fascinating,
Making the youth healthier and
more amazing.

The new wave of revenge,
Boiling in the veins of every citizen of

Be it 26/11 or URI

Every drop of **blood** seeks answers,
Every cell in the brain remembers-
Those lost families.

Be it a massacre or an attack

Be it an infant or an adult,

Every one stands as

One for all

All for one.

THIS IS THE NEW WAVE AGAINST PAHALGAM ATTACK

This is the new wave of

**She stood there as she waved goodbye
To a wave long gone.
She didn't know how she felt,
About the wave that had left,
As the heat of the sun on her feet
Had started to burn.**

**She wished again, for the cool and comfort
And it came true. The big wave was finally
here.**

**But as it came near,
She felt the fear,
Of a wave that looked like
It was going to eat her whole.**

**She didn't know what to do except close her
eyes,
Caged by the fear, stuck in the heat.
Suddenly the wave broke
And she woke
As the monstrous wave just caressed her
feet.**
