

HAPPY MEMORY

**Happy memories ,happy memories
together we make our imaginary memories**

**Memories also just can't be happy,
some of them would be sad too.**

**Memories are just the thing we need
because they are the ones who help us read.**

**Memories also just can't make us happy
but also make us love our family more**

HAPPY MEMORY

**We get memories here and there,
Even if it is sad or happy
They are everywhere.**

**Memories are during occasions,
which also can come
during vacations.**

**Memories don't come
We create them
While having fun.**

**All wrapped in a file,
Brings joy
And gives us a smile.**

HAPPY MEMORY

Remember me,

Though I have to say goodbye.

Remember me,

Don't let it make you cry,

even though I'm far away

I'll hold you in my heart.

Make good memories

May it last for centuries,

I'll be back in vacations

Then we'll have special occasions.

I miss you mother and miss you father.

HAPPY MEMORY

**Hey memories,
you are filled with joy
And filled with good vibes.
Please come back,
You are my best friend.
I don't want to leave you.
When I went to vacation,
It was like an occasion.
I had a good time with my family
funny time with my father,
lovely time with my mother,
And a friendly time with my brother.**

Happy memories

Filled with memories.

In the vacations,

there are occasions.

Good vibes

Helping our life's memories with delicious food,

That turn bad mood into good.

Collected unique memory pieces

Bought many expensive fleece,

Memories with more time

With many dime coins.

HAPPY MEMORY

**Thousands of memories
Can be made,
But ones that are happy
Are hard to make.
Beaming smile
Spreads across our face,
Everytime we remember
that lovely day.
We have to choose carefully,
Our actions and thoughts
whether they are right or wrong
You are the boss.**

And stayed together.**

By eating an ice cream !**

HAPPY MEMORY

Those were the days

When my mom and I

Went on trips.

Near the shores by the seas,

sitting under those

Coconut trees,

Having a cold breeze.

Those were the days

when my father and I swam in the pool with joy.

My father and I always enjoy.

HAPPY MEMORY

**Time will go with the flow
But the memories you make
Those in times, will never go.
Happy memories are the best
they remind you of the good old times,
When time with your dear ones chimes.
Happy times will go so fast,
Just because they are always a blast.
Cherish time with your loved ones,
So that you make memories,
Which last forever in your heart.**
