# PASSION BEYOND THE PEAKS IN NEPAL

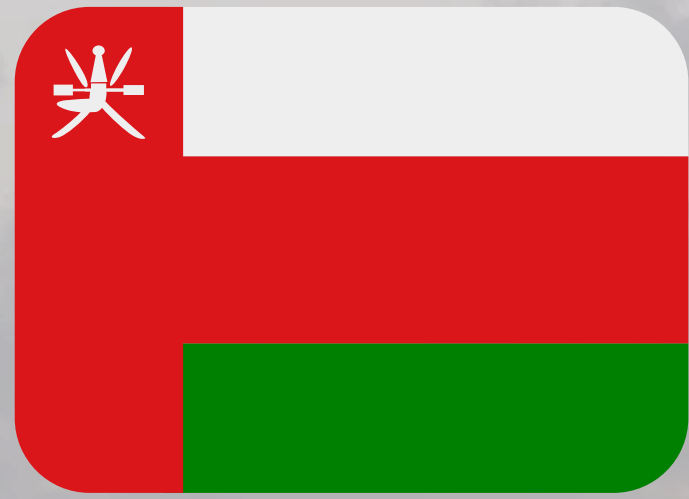

I like to play football a lot.  
All chances and working hard, I shine.  
With my friends, I have a good time.  
Sometimes in school or outside, I play.  
Teamwork is an unbalanced way I learn.  
To play much better, I work hard.  
Men players are famous in this game.  
But I will also shine one day.  
My vision is to give a proud name,  
I will be a great player and get the fame.

Some from culture, some from courts.
